Welcome Letter

It is our pleasure to invite you to the ICN+T 2018 to be held in Brno, Czech Republic in 22 – 27 July 2018. The city of Brno is located just two hours both from Prague, Czech Republic and Vienna, Austria.

The 2018 International Conference on Nanoscience + Technology (ICN+T) will provide an international forum for discussion of the latest developments in nanoscale science and technology and relevant instrumentation and methodologies. The programme will hold over 50 plenary and invited presentations on the latest developments in nanoscale science and technology will be given by leading scientists.

Our sponsors and vendors will be able to exhibit the latest equipment available for nanoscale science and technology to over 700 attendees from around the globe. The exhibit areas will be next to the main plenary hall and surround the poster presentations, providing many opportunities for discussions between attendees and vendors.

We look forward to seeing you at ICN+T 2018 and welcoming you to the city of Brno, a center of South Moravian region.

Prof. Tomáš Šikola
Conference Chairman
Brno University of Technology

Dr. Antonín Fejfar
Conference Chairman
Fyzikální ústav AV ČR, v. v. i.
About the Conference

Dates: 22 – 27 July 2018
Exhibition will open on Sunday 22 July 2018 and close early afternoon 27 July
Venue: BVV Trade Fairs, Brno, Czech Republic

The BVV Trade Fairs Brno is one of the most prominent trade fairs and exhibition center in Central and Eastern Europe. With its tradition since 1928 it is great place to meet, share and get inspired.

The exhibition grounds are located outside of Brno city center which can however be easily reached by public transport or taxi within few minutes. There are two major hotels available just next to the BVV (Holiday Inn and Voroněž - both offered to the ICN+T delegates).

Estimated number of participants: 700
Conference website: www.icnt2018.org

Brno, Czech Republic

Brno is the 2nd largest city in the Czech Republic with over 400 000 inhabitants and the capital of the South Moravian Region.

Holding a strategic geographic position within Central Europe with excellent transport accessibility, including an international airport Brno is located only two hours from the international airports of Prague and Vienna.

For a few decades Brno has been a place of research institutes and companies involved in development and production of electron microscopes. At present it hosts companies such as Thermo Fisher Scientific (FEI), TESCAN, and Delong Instruments, all of them being engaged in the business of electron microscopy and relevant nanotechnology tools and methods. It is known as a student town having more than 80 000 students in 6 universities. It also hosts several research institutes of the Czech Academy of Sciences and quite recently has become the seat of the Central European Institute of Technology (CEITEC), one of the two principle co-organizers of this conference.
Main Themes / Topics of the Conference

The overarching objective of ICN+T 2018 is to represent the convergence of the former International Conference on Scanning Tunneling Microscopy/Spectroscopy and Related Techniques (STM) and Nano, which were first combined in Basel, Switzerland in 2006. This conference will cover a range of topics in nanoscale science and technology, addressing the interdisciplinary nature of this strategic field.

Topics for scientific presentations include:

- Scanning probe microscopy/spectroscopy and related instrumentation
- Nanosystems, nanomanipulation
- 0D - 1D nanostructures
- 2D materials, Topological Insulators
- Nanoelectronics (molecular electronics, quantum devices)
- Nanomagnetism (spintronics, magnonics)
- Nanophotonics (plasmonics, metamaterials)
- Nanomechanics, nanofluidics, nanobiotechnology and advances in nanofabrication
- Nanocharacterization and materials/processing for nanotechnology (all relevant analytical and fabrication techniques incl. TEM, SEM, FIB)

Audience

The expected attendance is over 700 participants, with international academic, industry and government representation. Conference participants or attendees will include members of the scientific research community, as well as policy decision makers from various countries of EU and abroad.
Benefits of Becoming a Sponsor / Exhibitor

The Organizers are offering companies the opportunity to become sponsor/exhibitor of ICN+T 2018.

Various partnership options are listed on the following pages. Potential partners can select different option.

Sponsors’ and Exhibitors’ global benefits

Being visible increases potential customer’s brand awareness. Increasing brand awareness helps to generate consumer preference and foster brand loyalty.

Sponsors and Exhibitors will be offered

Your participation at ICN+T 2018 as a sponsor or as an exhibitor will automatically include the following services:

- Listed as a sponsor or as an exhibitor including your company’s logo and web link on the official web site of the conference
- Listed as a sponsor or as an exhibitor including your company’s logo and company profile in ICN+T 2018 printed materials

Exclusive benefits for Sponsors:

- Visibility on roll-up banners dedicated to sponsors
- Expression of thanks at the Opening and Closing Ceremonies
- Logos on slides on screen during breaks in the plenary halls
- Use of the conference logo for own advertising
- Free conference dinner tickets
Sponsorship Opportunities

By becoming a sponsor, you can gain visibility with a larger exhibition area, and benefit from advertising and other additional services according to your level:

**Other Partnership Opportunities**

**Lanyards (Exclusive)**

Each conference attendee will be given a lanyard with a name badge, which will indicate their name and the country they come from and act as an identification pass. The sponsor’s logo will be printed on the lanyard with the conference logo. The sponsor will also be mentioned in the final program and on the conference website.

- Lanyards produced by the organizers: 3000 EUR

**Bags for Conference Attendees**

The opportunity is offered to sponsors and exhibitors to provide:

- An insert in the conference bag: an up to A4 size double-sided, color or black and white flyer/promotional piece. This flyer could be text only promoting activities on your exhibition stand or it may be an existing corporate flyer of information on your services or products.
- The conference bag itself with the partner’s logo and the conference logo

- Rate per insert: 1000 EUR
- Conference bag produced by organizers (with both logos): 4500 EUR

**Writing pads and pens**

This is an exclusive opportunity. The logo of your company will be on the notepads and/or on the pens. Attendees particularly appreciate to get writing pads and pens and find them very useful for the scientific sessions. Pens and pads will be provided by the sponsor.

- Rate for writing pads (exclusivity): 500 EUR
- Rate for pens insertion (exclusivity): 500 EUR

**Public Water Fountains**

Water fountains for the attendees will be placed in all public areas for the whole Conference period. In case you decide to sponsor this item your company logo will be placed on every crucible and on the water tanks as well.

- Sponsoring for the duration of the Conference: 500 EUR
Coffee Breaks

Coffee breaks sponsorship package includes the opportunity to hang companies’ banners and distribute napkins with the companies’ logo (provided by the sponsors) in the coffee break area. The sponsor will benefit from an official acknowledgement in the printed program.

1 day of coffee break sponsorship (for 2 coffee breaks per day) 500 EUR

Advert in the printed Program

The final program will be provided in the conference bag to all registered attendees including speakers, official guests, and exhibitors (1 bag per exhibition space).

Advertisement on the inner full page 1350 EUR
Advertisement on the inner half page 700 EUR

Signage

Role of the signage is to welcome and navigate attendees within the Conference venue. It is the very first thing what an attendee sees even before entering the building. Partner will be visible on the navigation boards, on the acknowledgement in the Final Program and on the Conference website.

Signage with the partner’s logo (exclusivity) 2200 EUR

Charging Box

Attendees are using their smart phones and tablets that need to be regularly charged. Charging stations are increasingly becoming a standard and popular feature of modern day events. By sponsoring this item, you can brand the box the way you want and connect with a wide audience.

Rate per charging box including full branding 1900 EUR

Poster Boards

Poster area belongs to the most visited Conference attractions. Partner’s name and logo will be attached on the frame of each poster board, on the acknowledgement in the Final Program, and on the Conference website.

Sponsoring for the duration of the Conference (exclusivity) 2200 EUR
Poster in the Exhibition Area

Companies may also advertise their products and research through their poster in the exhibition area. Poster to be provided by the sponsor, poster stand will be provided by the organizer.

Poster in the exhibition area 700 EUR

Sponsoring a Session

Companies have the opportunity to be visible during a particular session (you can choose the topic of the session on a 1st signed, 1st served basis, priority to sponsor packages). The sponsor will be visible in the meeting room during all the time of the session and communicated in the printed program.

Sponsoring a session 700 EUR
